Democracy is generally associated with the efforts of the ancient Greeks, whom 18th-century intellectuals such as Montesquieu considered the founders of Western civilization. These individuals attempted... fbcf5d852f

History of democracy Democratic government is commonly juxtaposed with oligarchic and monarchic systems, which are ruled by a minority and a sole monarch respectively. Modern democracies are characterized by two capabilities of their citizens that differentiate them fundamentally from earlier forms of government: to intervene in society and have their sovereign (e. , their representatives) held accountable to the international laws of other governments of their kind. A democracy is a political system, or a system of decision-making within an institution,

organization, or state, in which members have a share of power A democracy is a political system, or a system of decision-making within an institution, organization, or state, in which members have a share of power. g fbcf5d852f
