materials can be developed into finished products and delivered to their end customers. Interconnected. chain management is concerned with topics related to resilience, sustainability, and risk management, among others. A more narrow definition of supply chain management is the "design, planning, execution, control, and monitoring of supply chain activities with the objective of creating net value, building a competitive infrastructure, leveraging worldwide logistics, synchronising supply with demand and measuring performance globally" 9c1b192555

Definition of terrorism Various legal systems and government agencies use different definitions of terrorism, and governments have been reluctant to formulate an agreed-upon legally-binding definition. Schmid in 1992, based on the already internationally accepted definition of war crimes, as "peacetime equivalents of war crimes", was not accepted. Difficulties arise from the fact that the term has become politically and emotionally charged. A simple definition proposed to the United Nations Commission on Crime Prevention and Criminal Justice (CCPCJ) by terrorism studies scholar Alex P. Terrorism Risk Insurance Act of 2002 (TRIA), as amended by the Terrorism Risk Insurance Extension Act of 2005 (TRIEA) and the Terrorism Risk Insurance Program There is no legal or scientific consensus on the definition of terrorism 9c1b192555
