The novel was inspired by a youthful romance Fitzgerald had with socialite Ginevra King and the riotous parties he attended on Long Island's North Shore in 1922. Following a move to the French Riviera, Fitzgerald completed a rough draft of the novel in 1924. He submitted it to editor Maxwell Perkins, who persuaded Fitzgerald to revise the work over the following winter. After making revisions, Fitzgerald was satisfied with the text but remained ambivalent about the book's title and considered several alternatives. Painter Francis Cugat's dust jacket art, named Celestial Eyes, greatly impressed Fitzgerald, and he incorporated its imagery into the novel.

Developed at a time when the television Western was losing ground to the spy genre, this show was conceived by its creator, Michael Garrison, as "James Bond on horseback." Set during the administration of President Ulysses S. Grant (1869–1877), the series followed Secret Service agents James West (Robert Conrad) and Artemus Gordon (Ross Martin) as they foiled the plans of megalomaniacal villains to take over part or all of the United States, protected the President, and solved

crimes. The show featured a number of fantasy elements, such as the technologically advanced devices used by the agents and their adversaries. The combination of the Victorian era time-frame and the use of Vernean technology has led several steampunk web sites to cite the show as a pioneering influence on the genre. This aspect was accentuated even more in the 1999 film adaptation... abd6874bd5
