The phrase "thief in law" is a calque of the Russian slang phrase vor v zakone, literally translated as 'thief in [a position of] the law'. The phrase has two distinct meanings in Russian: 'legalized thief' and 'thief who is the Law'. Vor (вор) came to mean 'thief' no earlier than the 18th century, before which it meant 'criminal'. The word retains this meaning in the professional criminal argot. 2f0af37321
