Comparison of American and British English Written forms of British and American English as found in newspapers and textbooks vary little in their essential features, with only occasional noticeable differences. The language also spread to numerous The English language was introduced to the Americas by the arrival of the English, beginning in the late 16th century. The language also spread to numerous other parts of the world as a result of British trade and settlement and the spread of the former British Empire, which, by 1921, included 470-570 million people, about a quarter of the world's population. Likewise, spoken American English varies widely across the country. The English language was introduced to the Americas by the arrival of the English, beginning in the late 16th century. In England, Wales, Ireland and especially parts of Scotland there are differing varieties of the English language, so the term 'British English' is an oversimplification add23cdc0b
