

English For Business Studies Third Edition Answer

There have been many proposals for making International English more accessible to people from different nationalities but there is no consensus; Basic English is an example, but it failed to make progress. More recently, there have been proposals for English as...

The English largely descend from two main historical population groups: the West Germanic tribes, including the Angles, Saxons, and Jutes who settled in Southern Britain following the withdrawal of the Romans, and the partially Romanised Celtic Britons who already lived there. Collectively known as the Anglo-Saxons, they founded what was to become the Kingdom of England by...

Before the dissolution of the British Empire on the Indian subcontinent, the term Indian English broadly...

Indian English Furthermore, English is the sole official language of the Judiciary of India, unless the state governor or legislature mandates the use of a regional language, or if the President of India has given approval for the use of regional languages in courts. Most[citation Indian English (IndE, IE) or English (India) is a group of English dialects spoken in the Republic of India and among the Indian diaspora and is native to India. Australian English, variability is especially present when the split occurs before nasal clusters in words such as dance, Francis, and answer. English is used by the Government of India for communication, and is enshrined in the Constitution of India. English is also an official language in eight states and seven union territories of India, and the additional official language in five other states and one union territory

English language It is the most widely learned second language in the world, with more second-language speakers than native speakers. However, English is only the third-most spoken native language, after Mandarin Chinese and Spanish. English is either the official language English is a West Germanic language that emerged in early medieval England and has since become a global lingua franca. However, English is only the third-most spoken native language, after Mandarin Chinese and Spanish. The namesake of the language is the Angles, one of the Germanic peoples that migrated to Britain after its Roman occupiers left. native speakers. English is the most spoken language in the world, primarily due to the global influences of the former British Empire (succeeded by the Commonwealth of Nations) and the United States

Business model According to the Oxford English Dictionary, the term "business model", a compound of business and model, A business model describes how a business organization creates, delivers, and captures value, in economic, social, cultural or other contexts. The process of business model construction and modification is also called business model innovation and forms a part of

business strategy. accounting for purposes of public reporting. The model describes the specific way in which the business conducts itself, spends, and earns money in a way that generates profit a179527e91
