The first form of lead guitar emerged in the 18th century, in the form of classical guitar styles, which evolved from the Baroque guitar, and Spanish Vihuela. Such styles were popular in much of Western Europe, with notable guitarists including Antoine de Lhoyer, Fernando Sor, and Dionisio Aguado. It was through this period of the classical shift to romanticism the six-string guitar was first used for solo composing. Through the 19th century, the classical guitar would find prominence in chamber music ensembles, used for melodic accompaniment, as well as being used in solo composites. These styles would spread into America by the mid-19th century...

Hunsader's views, as well as the record of market transactions released by Nanex, have been cited in many financial analyses done in news articles about strange financial events, such as the 2010 Flash Crash, the Gold Flash Crash in early January 2014, and suspicious trading patterns.

In WarCry the opposing players become generals of vast armies and wage battles for control over the Old World. Each game is divided into three segments called battles. The outcome of each battle is determined after both players pass consecutively. Their Victory Points totals are compared and the player with the highest total wins the battle. The player who wins two out of the three battles is the winner.

The Army Deck consists cards representing units that will fight for you, the heroes that may fight alongside a given unit and magical weapons, armor or other items that can somehow help swing the tide of battle in your favour.
