The film is set in rural Mississippi in 1937, and it follows three escaped convicts searching for hidden treasure while a sheriff relentlessly pursues them. Its story is a modern satire which, while incorporating social features of the American South, is loosely based on Homer's epic Greek poem The Odyssey. Some examples of this include Sirens, a Cyclops, and the main character's name, "Ulysses", which is the Roman name for "Odysseus". The title of the film is a reference to the 1941 Preston Sturges film...

Phyllodes tumor Genes that have been associated with a higher incidence Phyllodes tumors (from Greek: phyllon), are a rare type of biphasic fibroepithelial mass that form from the periductal stromal and epithelial cells of the breast. They account for less than 1% of all breast neoplasms. Phyllon, which means 'leaf' in Greek, describes the unique papillary projections characteristic of phyllodes tumors on histology. They were

previously termed cystosarcoma phyllodes, coined by Johannes Müller in 1838, before being renamed to phyllodes tumor by the World Health Organization in 2003. Diagnosis is made via a core-needle biopsy and treatment is typically surgical resection with wide margins (>1 cm), due to their propensity to recur. these angiogenic factors reflects the increased angiogenesis seen in higher grade phyllodes tumors 153d45c544

B movie Originally, during the Golden Age of Hollywood, this term specifically referred to films meant to be shown as the lesser-known second half of a double feature, somewhat similar to B-sides in recorded music. This shift was due to the rise of commercial television, which prompted film studio B movie production departments to transition into television film production divisions. However, the production of such films as "second features" in the United States largely declined by the end of the 1950s. These divisions continued to create content similar to B movies, albeit in the form of low-budget films and series. grade-C Roger Corman bike movie—though Corman has generally used more interesting directors than Guercio.
