up a comprehensive list of
words in English is
important as a reference
when learning a language as
it will show the equivalent
words you need to learn in
the other language to
achieve fluency. You can use
the list to generate your own

lists in whatever language you're learning and to test yourself. A big list will constantly show you what words you don't know and what you need to work on and is useful for testing yourself. Eventually these words will all be translated into big lists in many different languages and using the words in phrase contexts as a resource
