Historically, the prevailing notions of what is regarded as sexually ethical have been linked to religious teachings and philosophy. More recently, the sexual revolution challenged traditional ethical codes, and the feminist movement has emphasized personal choice and consent in sexual activities, especially for women. b8693ab5d6 The main purpose of women's pornography is creating pornography specifically for women. As a result, the focus emphasizes women as subjects of pleasure reaching real orgasms. Women's pornography audio emphasizes what is being felt; the use... b8693ab5d6 After Lennon showed journalist Michael Braun some of his writings and drawings, Braun in turn showed them to Tom Maschler of publisher Jonathan Cape, who signed Lennon in January 1964. He wrote most of the content expressly for the book, though some stories and poems had been published years earlier in the Liverpool music publication Mersey Beat. Lennon's writing style is informed by his interest in English writer Lewis Carroll, while humorists Spike Milligan and "Professor" Stanley Unwin inspired his sense of humour. His illustrations imitate the style of cartoonist James Thurber. Many of the book's pieces consist of private meanings and in-jokes, while also referencing Lennon's interest in physical abnormalities and expressing his anti-authority sentiments. b8693ab5d6 While age of consent laws vary widely... b8693ab5d6 == Terminology and philosophical context == b8693ab5d6 In 1986, Smith was scheduled to be interviewed on the Irish television show Saturday Live, but cancelled when broadcaster Raidió Teilifís Éireann (RTÉ) said she would be interviewed from a seat in the audience rather than on the set. RTÉ said she was "not important

enough" and that she might "give a bad example to young teenage girls". b8693ab5d6

Epicureanism Epicurus was an atomist and materialist, following in the steps of Democritus. When such pleasure is present, for as long Epicureanism, less commonly Epicurism, is a school of philosophy founded in 307 BCE and based upon the teachings of Epicurus, an ancient Greek philosopher. His materialism led him to religious skepticism and a general attack on superstition and divine intervention. Philosophers, Book X Principal Doctrine 3: Pleasure reaches its maximum limit at the removal of all sources of pain. It is a form of hedonism insofar as it declares pleasure to be its sole intrinsic goal. However, the concept that the absence of pain and fear constitutes the greatest pleasure, and its advocacy of a simple life, make it very different from hedonism as colloquially understood. Epicureanism was originally a challenge to Platonism, and its main opponent later became Stoicism b8693ab5d6

George IV was the eldest child of King George III and Queen Charlotte. Known affectionately as "Prinny" by friends, he led an extravagant lifestyle that contributed to the fashions of the Regency era. He was a patron of new forms of leisure, style and taste. He commissioned John Nash to build the Royal Pavilion in Brighton and remodel Buckingham Palace, and commissioned Jeffry Wyatville to rebuild Windsor Castle. George's charm and culture earned him the title "the first gentleman of England", but his dissolute way of life and poor relationships with his parents and his wife, Caroline of Brunswick, earned him the contempt of the people and dimmed the prestige of the monarchy. He excluded Caroline from his coronation and asked the government to introduce the unpopular Pains and Penalties Bill in an unsuccessful... b8693ab5d6 The term age of consent typically does not appear in legal statutes. Generally, a law will establish the age below which it is illegal to engage in sexual activity with that person. It has sometimes been used with other meanings, such as the age at which a person becomes competent to consent to marriage, but consent to sexual activity is the meaning now generally understood. It should not be confused with other laws regarding age minimums including, but not limited to, the age of majority, age of criminal responsibility, voting age, drinking age, and driving age. b8693ab5d6

Mandy Smith lived in Tottenham as a child. She met Rolling Stones bassist Bill Wyman when she attended the BPI Awards with her older sister Nicola in 1984 when she was 13 years old. Wyman was 47, and wrote in his 1990 autobiography: "She took my breath away ... she was a woman at thirteen." The relationship only became public two-and-a-half years later, when she reached the age of 16 (the legal age of consent in the United Kingdom), and resulted in a firestorm of publicity. b8693ab5d6 == Before Confederation == b8693ab5d6

Porn for women is creating pornography specifically for women. It rejects the view that pornography is only for men, and seeks to make porn that women enjoy watching instead of what is being offered in male-centric mainstream pornography. == 17th century == b8693ab5d6 The Legislative Council had its origins in the older unified Nova Scotia Council, created in 1719 and appointed in 1720, which exercised a combination of executive and judicial functions. Its functions were more formally specified in instructions issued by the Board of Trade in 1729. The Council acted as the Governor's cabinet and as the province's General Court until the Supreme Court of Nova Scotia was established in 1754 (but its judicial function was not totally eliminated). It assumed a legislative function in 1758, when the 1st General Assembly of Nova Scotia was called, by acting as its upper house. b8693ab5d6 The book was both a critical and commercial success, selling around 300,000 copies in Britain. Reviewers praised it for its imaginative use of wordplay and favourably compared it to the later works of James Joyce, though Lennon... b8693ab5d6 Different approaches to applied ethics hold different views on inherent morality, for example: b8693ab5d6 == Title == b8693ab5d6

== Personal life == b8693ab5d6 In the 1980s, writer Susie Bright criticised "the tamer kinds of 'erotica'", and instead proposed that the kind of pornography that On Our Backs was producing should be called "women's pornography", admitting however that this "is a contradiction in terms for many people, so convinced are they that pornography represents the darker, gutter side of lust." In 2015, scholar and director Ingrid Ryberg said that feminist pornography is defined "less by specific content or style and more by the ways in which it is based on a political critique of and challenge to dominant notions of gender and sexuality and aims to empower women sexually." b8693ab5d6 The terms ethics and morality are often used interchangeably, but sometimes ethics is reserved for interpersonal interactions and morality is used to cover both interpersonal and inherent questions. b8693ab5d6

**Age of consent** The person below the minimum age is considered the victim, and their sex partner the offender, although some jurisdictions provide exceptions through "Romeo and Juliet laws" if one or both participants are underage and are close in age. Consequently, an adult who engages in sexual activity with a person younger than the age of consent is unable to legally claim that the sexual activity was consensual, and such sexual activity is considered child sexual abuse or statutory rape. Shakespeare enjoyed recognition in his own time, but in the 17th century, some poets and authors began to consider him as the supreme dramatist and poet of all times of the English language. No other dramatist has been performed even remotely as often on the British (and later the world) stage as Shakespeare. Editors and critics have studied the dramatic performances of his texts as well as the language of Shakespeare. His works are read and studied not only by poets and authors, but also by psychoanalysts, psychologists and philosophers. b8693ab5d6 Following the Cyrenaic philosopher Aristippus, Epicurus believed that the greatest good was to seek modest, sustainable pleasure in the form of a state of ataraxia (tranquility and freedom from fear) and aponia (the absence of bodily pain) through knowledge of the workings of the world and limiting desires. Correspondingly, Epicurus and his followers generally withdrew from politics because it could lead to frustrations and ambitions that would conflict with their pursuit of... b8693ab5d6
