This is partially --very partially-- self nom because there are many others who helped in writing this article. From what I've read in the Talk Page, the article swung from an edit war last year to a stalemate, then a short NPOV issue last April due to some overenthusiastic newbies, and since May, a time of harmony and peace when NPOV rules were quoted, ratios established, and details worked on. It has grown since then. It has been under Peer Review since September 9: Peer Review of Opus Dei article And changes have been made based on the feedback. Please see Talk Page as well, for it contains many explanations on why the article appears as it is. Thomas S. Major 05:53, 24 September 2005 (UTC)[reply] 0beab27fb4
