Ayckbourn wrote Sugar Daddies in early 2003, shortly after concluding his family play The Jollies and shortly before starting rehearsals for Tim Firth's The Safari Party. In some respects, it can be considered a follow-on from the Damsels in Distress trilogy. It again features a young female leading character in some kind of danger, and shares the theme of East End crime that frequently arose throughout the trilogy. The original productions also shared Alison Pargeter as one of the leading roles, but this had influence far beyond making Sugar Daddies a companion piece. a93c296bd0 Flowers is considered a trailblazer of his era, becoming world champion during a time when top-level prizefighting was mostly restricted to white competitors. Flowers has been compared to his predecessors George Dixon, Barbados Joe Walcott, Joe Gans, and Jack Johnson, each of whom had been the first black world champions in their respective weight classes. a93c296bd0 Prior to acting at the Stephen Joseph Theatre, Alison Pargeter had concentrated her career on playing children and teenagers. Indeed, her first role working with Ayckbourn was as a nine-year-old girl in his new family musical Whenever in 2000.
