The Bible and violence War is a special category of violence that is addressed in four different ways including pacifism, non-resistance, just war and crusade. The churches are children playing on the floor with their chemistry sets, mixing up a batch of TNT to kill a Sunday morning The Hebrew Bible and the New Testament both contain narratives, poems, and instructions which describe, encourage, command, condemn, reward, punish and regulate violent actions by God, individuals, groups, governments, and nation-states. Violence is defined around four main areas: that which damages the environment, dishonest or oppressive speech, and issues of justice and purity. does no one believe a word of it. Among the violent acts referred to are war, human sacrifice, animal sacrifice, murder, rape, genocide, and criminal punishment 3150e66f85
