The Galaxy Power Rangers gain their powers through use of the Quasar Sabers - five ancient swords that were discovered on the planet Mirinoi. At the beginning of the series, the Quasar Sabers are pulled from a block of stone (mirroring the legend of Excalibur), thus highlighting the youths as the modern-day chosen wielders of the weapons (that is, with the exception of Leo Corbett, whose Saber is given to him by his brother Mike). 99a724ff47 == Fighters == 99a724ff47 == Pai Zhua == 99a724ff47

The B-35 was the brainchild of Jack Northrop, who made the flying wing the focus of his work during the 1930s. In 1941, before the United States entered World War II, Northrop and Consolidated Vultee Corporation had been commissioned to develop a large wing-only, long-range bomber designated XB-35 and XB-36 respectively. Northrop advocated a "flying wing" as a means of reducing parasitic drag and eliminating structural weight not directly responsible for producing lift. Consolidated Vultee proposed a more conventional design with fuselage and tail, which was much larger and heavier. Each member of this faction is given an Animal Spirit that acts as their own unique sentient, beast-like power source. They commit their lives to fusing the idea of martial arts with the abilities of these distinct Animal Spirits. They are the guardians of Earth against the abusive use of Animal Spirits by the series' antagonists, the Dai Shi Clan led by and named after the heartless spirit Dai Shi, for the extinction of humanity and the replacement by and ruling of evil beasts. The Pai Zhua fight against evil by calling on the spiritual powers of beasts and combining such a power source with the martial arts of humanity to use a human and beast spirit dual offense collaboration as a
