

Lure Templates

The design of the spoon lure is simple: the oblong, concave blade shape of the spoon will cause it to wobble randomly when towed or sinking through water, creating sparkles of light reflection that resemble those of a swimming bait fish's scales when looking from afar. The spoon wobbling also stirs up turbulences that can entice the fish to stalk and strike it. Fish normally use their lateral line system to follow the vortices produced by fleeing prey, and the oscillating movements of the spoon lure... 2b77c81ba5 The Abbey of Lure was situated here. In the seventh century, Clothaire II recognised the virtues of Saint Deicolus and considerably enriched the Abbey of Lure, also granting Deicolus the manor, woods, fisheries, etc. of the town which had grown around the monastery. 2b77c81ba5
