Sociology of law It has been seen as treating law and justice as. Accordingly, it may be described without reference to mainstream sociology as "the systematic, theoretically grounded, empirical study of law as a set of social practices or as an aspect or field of social experience". Some see sociology of law as belonging "necessarily" to the field of sociology, but others tend to consider it a field of research caught up between the disciplines of law and sociology. law, legal sociology, or law and society, is often described as a sub-discipline of sociology or an interdisciplinary approach within legal studies. Still others regard it as neither a subdiscipline of sociology nor a branch of legal studies but as a field of research on its own right within the broader social science tradition. The sociology of law, legal sociology, or law and society, is often described as a sub-discipline of sociology or an interdisciplinary approach within
