Strategic planning John Wiley & Sons, Inc. "Strategy" has many definitions, but it generally involves setting major goals, determining actions to achieve these goals, setting a timeline, and mobilizing resources to execute the actions. A strategy describes how the ends (goals) will be achieved by the means (resources) in a given span of time. Berrett, Koehler Strategic planning or corporate planning is an activity undertaken by an organization through which it seeks to define its future direction and makes decisions such as resource allocation aimed at achieving its intended goals. Strategy can be planned ("intended") or can be observed as a pattern of activity ("emergent") as the organization adapts to its environment or competes. Brian Tracy (2000). Planning Kit for
