The Journal of Pediatric Ophthalmology and Strabismus is a bimonthly peer-reviewed publication for pediatric ophthalmologists b86de79bbf

John Pratt-Johnson), (June 6, 1929 - September 9, 2015) was a Canadian ophthalmologist and Emeritus Professor of Ophthalmology, University of British Columbia, Vancouver, British Columbia, Canada. He also involved himself in international cooperation to improve the status of medical care in the area of blindness prevention and access to surgical expertise for under-served areas in poor countries. As part of Orbis and the board of

directors of Seva Canada Society he has helped organise funds, build facilities and train health care workers and ophthalmologists, particularly from Nepal, where prevalence of blindness is quite high. He was a famous pediatric ophthalmologist and John Ashburnham Pratt-Johnson, FRCS(C.), FRCS(Edin. Emeritus Professor of Ophthalmology, University of British Columbia, Vancouver, British Columbia, Canada. He was a famous pediatric ophthalmologist and trained many fellows at the university b86de79bbf

An ophthalmologist is a physician who undergoes subspecialty training in medical and surgical eye care. Following a medical degree, a doctor specialising in ophthalmology must pursue additional postgraduate residency training specific to that field. In the United States, following graduation from medical school, one must complete a four-year residency in ophthalmology to become an ophthalmologist. Following residency, additional specialty training (or fellowship) may be sought in a particular aspect of eye pathology. b86de79bbf

Marshall M. Parks and Reuben Marshall Miller Parks (July 6, 1918 - July 25, 2005) was an American ophthalmologist known to many as "the father of pediatric ophthalmology". was an American ophthalmologist known to many as "the father of pediatric ophthalmology". Parks was born in Old Mission, Michigan to Ruth E b86de79bbf
