Chinese as a foreign language Westerners began learning different Chinese varieties in the 16th century. Within China, Mandarin became the official language in the early 20th century. The first important Chinese grammar was Joseph Henri Marie de Prémare's *Notitia linguae sinicae*, completed in 1729 Chinese as a foreign or second language is when non-native speakers study Chinese varieties. Mandarin also became the official language of Taiwan when the Kuomintang took over control from Japan after World War II. However, the teaching of Chinese both within and outside China is not a recent phenomenon. The increased interest in China from those outside has led to a corresponding interest in the study of Standard Chinese (a type of Mandarin Chinese) as a foreign language, the official language of mainland China, Taiwan and Singapore. This grammar was only sketchy, however c1445df898
