A Private Maritime Security Company (PMSC) is a form of Private Military Company that offers services in the maritime sector e5d2d2a830

A PDA is distinguished from a private contractor employed by a state which is usually subsidized. Instead, such agencies would in theory be financed primarily by competing insurance and security companies. e5d2d2a830 owned, operated, or otherwise controlled by a non-government entity such as a private corporation, or e5d2d2a830 a law enforcement agency whose primary function is to provide contract based security services to private entities in a manner similar to private security companies. e5d2d2a830

Private sector In some cases, usually involving multinational The private sector is the part of the economy which is owned by private groups, usually as a means of establishment for profit or non profit, rather than being owned by the government. legally regulate the private sector. Businesses operating within a country must comply with the laws in that country e5d2d2a830

Private Case The collection The Private Case is a collection of erotica and pornography held initially by the British Museum and then, from 1973, by the British Library. The collection began between 1836 and 1870 and grew from the receipt of books from legal deposit, from the acquisition of bequests and, in some cases, from requests made to the police following their seizures of obscene material. The Private Case is a collection of erotica and pornography held initially by the British Museum and then, from 1973, by the British Library e5d2d2a830

The services and expertise offered by PMCs are typically similar to those of governmental security, military, or police but most often on a smaller scale. PMCs often provide services to train or supplement official armed forces in service of governments, but they can also be employed by private companies to provide bodyguards for key staff or protection of company premises, especially in hostile territories. However, contractors that use armed force in a war zone may be considered unlawful combatants in reference to a concept that is outlined... e5d2d2a830 From its foundation in the eighteenth century, the British Museum acted as the national library of Britain. It was one of six legal deposit libraries in automatic receipt of all works published in the UK; this included pornographic or salacious material, seditious publications, those subversive of religion and works that could later be deemed by the courts as libellous. From the nineteenth century, the subversive and libellous... e5d2d2a830

Private police Officers engaging in private police work have Private police or special police are types of law enforcement agencies owned and/or controlled by non-government entities. Additionally, the term can refer to an off-duty police officer while working for a private entity, providing security, or otherwise performing law enforcement-related services. However, the specific authority they have, and the terms used for it, vary from one place to another. Officers engaging in private police work have the power to enforce the law. working for a private entity, providing security, or otherwise performing law enforcement-related services e5d2d2a830

Private defense agency Polycentric law Private governance Private military company Right-libertarianism Security guard Wikiquote has quotations related to Private defense agency A private defense agency (PDA) is a theoretical enterprise which would provide personal protection and military defense services to individuals who would pay for its services. PDAs are advocated in anarcho-capitalism as a way of enforcing the system of private property e5d2d2a830

Conflict of laws This body of law deals with three broad topics: jurisdiction, rules regarding when it is appropriate for a court to hear such a case; foreign judgments, dealing with the rules by which a court in one jurisdiction mandates compliance with a ruling of a court in another jurisdiction; and choice of law, which addresses the question of which substantive laws will be applied in such a case. These issues can arise in any private law context, but they are especially prevalent in contract law and tort law. Conflict of laws (also called private international law) is the set of rules or laws a jurisdiction applies to a case, transaction, or other occurrence Conflict of laws (also called private international law) is the set of rules or laws a jurisdiction applies to a case, transaction, or other occurrence that has connections to more than one jurisdiction e5d2d2a830

2020 Hong Kong national security law It is implemented in Hong Kong in accordance with Hong Kong Basic Law Article 18, which allows for China's national laws to be valid in Hong Kong if they are included in Annex III. It was formulated under the authorization of the National People's Congress decision on Hong Kong national security legislation. The law was passed on 30 June 2020 by the Standing Committee of the National People's Congress as a means of resolving the anti-extradition bill protests instigated by a Hong Kong local bill proposed in 2019 to enable extradition to other territories including the mainland, and came into force. The Law of the People's Republic of China on Safeguarding National Security in the Hong Kong Special Administrative Region is a national law of China on The Law of the People's Republic of China on Safeguarding National Security in the Hong Kong Special Administrative Region is a national law of China on Hong Kong national security passed in 2020 e5d2d2a830

Private military company A private military company (PMC) or private military and security company (PMSC) is a private company providing armed combat or security services for financial A private military company (PMC) or private military and security company (PMSC) is a private company providing armed combat or security services for financial gain. PMCs refer to their personnel as "security contractors" or "private military contractors" e5d2d2a830

Security guard as appropriate. Security guards do this by maintaining a high-visibility presence to deter illegal and inappropriate actions, looking (either directly through patrols, or indirectly by monitoring alarm systems or video surveillance cameras) for signs of crime or other hazards (such as a fire), taking action to minimize damage (such as

warning and escorting trespassers off property), and reporting any incidents to their clients and emergency services.) from a variety of hazards (such as crime, waste, damages, unsafe worker behavior, etc. Security guards are generally A security guard (also known as a security inspector, security officer, factory guard, or protective agent) is a person employed by an organisation or individual to protect their employer's assets (property, people, equipment, money, etc. Security officers are generally uniformed to represent their lawful authority to protect private property.) by enforcing preventative measures e5d2d2a830

In jurisdictions that allow private police, private police may be employed and paid for by a non-governmental agency, such as a railroads, ports, campuses, nuclear facilities, and hospitals and other "special police" but they are peace officers or law enforcement officers who are commissioned, licensed, and regulated by... e5d2d2a830
