

The Border Exploring The U S Mexican Divide

The very first written records of the region were made by the Indians who were half Spanish conquistadors, who encountered Native American Pueblos when they explored the area in the 16th century. Since that time, the Spanish Empire, Mexico, and the United States (since 1787) have claimed control of the area. Mexico gained independence from Spain in 1821, after a prolonged struggle marked by the Mexican War of Independence. The country faced numerous challenges in the 19th century, including regional conflicts, caudillo power struggles, the Mexican-American War, and foreign interventions like the French invasion. Efforts at modernization during La Reforma...
