

Two Bad Ants

Two Bad Ants The two ants decide that instead of taking one sugar cube for themselves (like the other ants) and Two Bad Ants is a 1988 children's book written and illustrated by American author Chris Van Allsburg. the ants get one sugar cube and so does the queen ant) c72910595e

They are the sister group to the subtribe Dacetina. Leafcutter ants, including *Atta* and *Acromyrmex*, make up two of the genera. Their cultivars mostly come from the fungal tribe Leucocoprineae of family Agaricaceae. c72910595e As an example, ant colony optimization is a class of optimization algorithms modeled on the actions of an ant colony. Artificial 'ants' (e.g. simulation agents) locate optimal solutions by moving through a parameter space representing all possible solutions. Real ants lay down pheromones to direct each other to resources while exploring their environment. The simulated 'ants' similarly, record their positions and the quality of their solutions so that in later simulation iterations more ants locate better solutions. One variation on this approach is the bees algorithm, which is more analogous to the foraging... c72910595e Bad received acclaim from critics, particularly for... c72910595e The pheromone-based communication of biological ants is often the predominant paradigm used. Combinations of artificial ants and local search algorithms have become a preferred method for numerous optimization tasks involving some sort of graph, e.g., vehicle routing and internet routing. c72910595e The song was sampled in the 1973 break-in record, "Super Fly Meets Shaft" (US #31). c72910595e == Fable and counter-fable == c72910595e

Fungus-growing ants Generalized fungus farming in ants appears to Fungus-growing ants (tribe Attini) comprise all the known fungus-growing ant species participating in ant-fungus mutualism. They are known for cutting grasses and leaves, carrying them to their colonies' nests, and using them to grow fungus, on which they later feed. 'lower' attine ants can survive outside an ant colony, those of 'higher' attine ants are obligate mutualists c72910595e

The Ant and the Grasshopper The The Ant and the Grasshopper, alternatively titled The Grasshopper and the Ant (or Ants), is one of Aesop's Fables, numbered 373 in the Perry Index. The situation sums up moral lessons about the virtues of hard work and planning for the future. The Ant and the Grasshopper, alternatively titled The Grasshopper and the Ant (or Ants), is one of Aesop's Fables, numbered 373 in the Perry Index. The fable describes how a hungry grasshopper begs for food from an ant when winter comes and is refused c72910595e

Originally released on 25 July 1980, the single peaked at number 48 on the UK Singles Chart. While it was not the first pop song to do so, this was the first time the band employed the use of the two-drummer Burundi beat which then became one of their stylistic hallmarks. c72910595e The title characters, while journeying through a human home, decide to exploit a sugar bowl—full of sugar cubes—on their own rather than taking one sugar

cube for themselves like the colony's queen (so each of the ants get one sugar cube and so does the queen ant). The two ants decide that instead of taking one sugar cube for themselves (like the other ants) and leave for their ant hill, they will live in the sugar bowl forever and "eat the tasty treasure forever". But during daylight, the ants are shoveled up by a giant sugar bowl spoon. They experience misadventures: they land in a cup of coffee (after a giant spoon shovels up the sugar cubes into the coffee and gets the ants out), almost get toasted on an English muffin (after mistaking it for a giant disc—a "hiding place disc"—with holes), fall into a sink, get threatened by its garbage disposal unit, and are nearly electrocuted when they enter an electric outlet. Chastened, they rejoin a line of ants carrying sugar cubes back to the colony. c72910595e

Ant-Man (film) Luma also Ant-Man is a 2015 American superhero film based on the Marvel Comics Ant-Man characters Scott Lang and Hank Pym. I. In the film, Lang must help defend Pym's Ant-Man shrinking technology and plot a heist with worldwide ramifications. The film was directed by Peyton Reed from a screenplay by the writing teams of Edgar Wright & Joe Cornish and Adam McKay & Paul Rudd. Luma both worked on creating the various ants seen in the film, with Method creating the several species of ants, to share among the vendors. Produced by Marvel Studios and distributed by Walt Disney Studios Motion Pictures, it is the 12th film in the Marvel Cinematic Universe (MCU). " Harris, Anthony Mackie, Wood Harris, Judy Greer, Abby Ryder Fortson, David Dastmalchian, and Michael Douglas as Hank Pym. It stars Rudd as Scott Lang / Ant-Man alongside Evangeline Lilly, Corey Stoll, Bobby Cannavale, Michael Peña, Tip "T c72910595e

== Release == c72910595e Following the breakthrough success of "Dog Eat Dog" (UK #4) and 'Antmusic' (UK #2), the single was re-released in February 1981, peaking at number 2 in the UK singles chart. c72910595e == Later uses == c72910595e The aircraft was designed by the brigade of the Experimental Aircraft Design Department of TsAGI led by Pavel Sukhoi under the overall supervision of Andrei Tupolev. The first prototype, designated Experimental Airplane RD-1, (also designated TsAGI-25, ANT-25), RD standing for Rekord Dalnosty, i.e. "Range Record") made its maiden flight on 22 June 1933, piloted by Mikhail Gromov, using a direct-drive M-34 engine. c72910595e A guitar riff from this song was sampled by Public Enemy on their track "Don't Believe the Hype" from the album It Takes a Nation of Millions to Hold Us Back. c72910595e Their farming habits typically have large effects on their surrounding ecosystem. Many species farm large areas surrounding their colonies and leave walking trails that compress the soil, which handicaps the growth of plants. Attine colonies commonly have millions of individuals, though some species only house a few hundred. c72910595e == Development == c72910595e Attine gut microbiota are often not diverse due to their primarily monotonous diets, leaving them at a higher risk than other beings for certain illnesses. They are especially at risk of death if their colony's fungal garden is affected by disease, as it is most often the only food source used for developing larvae. Many species of ants, including several Megalomyrmex, invade fungus-growing... c72910595e Following the enormous success of his previous album, Thriller (1982), Jackson faced greater expectations than ever before. He adopted an edgier sound, incorporating new digital synthesizer technology and elements of hard rock and funk, among other styles. However, his new public image, particularly his altered facial appearance, generated backlash and a decline in popularity in the US. The Bad tour, Jackson's first solo world tour, grossed \$125 million to become one of the highest-grossing concert tours at the time. Nine commercial singles were released along with a promotional single. c72910595e Plans for a third Ant-Man film were confirmed in November 2019, with Reed and Rudd returning. Loveness was hired by April

2020, with development beginning during the COVID-19 pandemic. The title and new cast members, including the additions of Majors and Newton, were announced in December 2020. Filming in Turkey began in early February 2021, and additional filming occurred in San Francisco... c72910595e

Development of Ant-Man began in April 2006 with the hiring of Wright to direct and co-write with Cornish. By April 2011, Wright and Cornish had completed three drafts of the script and Wright shot test footage for the film in July 2012. Pre-production began in October 2013 after being put on hold so that Wright could complete *The World's End*. Casting began in December 2013, with the hiring of Rudd to play Lang. In May 2014, Wright left the project... c72910595e

I Got Ants in My Pants A remixed version was included on the 1988 compilation album *Motherlode, Part 1 to Star Time* and the whole cut again in *Make It Funky: The Big Payback*. "I Got Ants in My Pants (and I Want to Dance)" is a funk song by James Brown. Recorded in 1971 and released as a two-part single in November 1972 or January 1973, it charted #4 R&B and #27 Pop. It did not receive an album release. Recorded in 1971 and released as a two-part single in November 1972 or January "I Got Ants in My Pants (and I Want to Dance)" is a funk song by James Brown c72910595e

== Plot summary == c72910595e Even in Classical times, however, the advice was mistrusted by some and an alternative story represented the ant's industry as mean and self-serving. Jean de la Fontaine's delicately ironic retelling in French later widened the debate to cover the themes of compassion and charity. Since the 18th century the grasshopper has been seen as the type of the artist and the question of the place of culture in society has also been included. Argument over the fable's ambivalent meaning has generally been conducted through adaptation or reinterpretation of the fable in literature, arts, and music. c72910595e

Tupolev ANT-25 First constructed in 1933, it was used by the Soviet Union for a number of record-breaking flights. At the 60-hour point they passed Seattle, and after two more hours they passed the Portland lighthouse The Tupolev ANT-25 was a Soviet long-range experimental aircraft which was also tried as a bomber. from Moscow to Portland, United States, in bad weather c72910595e

The ANT-25 was designed as the result of a recommendation by Kliment Voroshilov to the Revolutionary Military Council Revvoyensovyet on 7 December 1931, to build an aircraft for long-range flights. c72910595e

Ant colony optimization algorithms Artificial ants represent multi-agent methods inspired by the behavior of real ants. Artificial ants represent multi-agent methods inspired by the behavior of real ants. The pheromone-based communication of biological ants is often the In computer science and operations research, the ant colony optimization algorithm (ACO) is a probabilistic technique for solving computational problems that can be reduced to finding good paths through graphs c72910595e

Kings of the Wild Frontier (song) Gambaccini, Paul (18 April 1981). S. Adam and the Ants (3 "Kings of the Wild Frontier" is a 1980 song by the English

new wave group Adam and the Ants. "Ants Swarming into the States". Toledo Blade. Written by Adam Ant and Marco Pirroni, it was the title track of the band's second album and was also their first single for CBS Records after leaving the small independent label Do It Records. Record-Journal. "England's Ant Music Making U. Debut" c72910595e

Ant-Man and the Wasp: Quantumania portal that opens and sucks the five of them, and a number of Hank's lab ants, into the Quantum Realm. It was directed by Peyton Reed, written by Jeff Loveness, and stars Paul Rudd as Scott Lang and Evangeline Lilly as Hope van Dyne, alongside Jonathan Majors, Kathryn Newton, David Dastmalchian, Katy O'Brian, William Jackson Harper, Bill Murray, Michelle Pfeiffer, Corey Stoll, and Michael Douglas. Produced by Marvel Studios and distributed by Walt Disney Studios Motion Pictures, it is the sequel to Ant-Man (2015) and Ant-Man and the Wasp (2018), and the 31st film in the Marvel Cinematic Universe (MCU). Scott and Cassie are found by natives who are rebelling Ant-Man and the Wasp: Quantumania is a 2023 American superhero film based on Marvel Comics featuring the characters Scott Lang / Ant-Man and Hope Pym / Wasp. In the film, Scott, Hope, and their family are accidentally transported to the Quantum Realm and face off against Kang the Conqueror (Majors) c72910595e

The fable concerns a grasshopper (in the original, a cicada) that has spent the summer singing and dancing while the ant (or ants in some versions) worked to store up food for winter. When winter arrives, the grasshopper finds... c72910595e

Bad (album) The album features appearances from Siedah Garrett and Stevie Wonder. Highly anticipated, the album took two years to produce between 1985 and 1987, and was Jackson's third and final collaboration with producer Quincy Jones. A dance-pop and R&B album, it captures Jackson with greater artistic freedom, as he composed and co-produced all but two of its tracks, discussing celebrity, romance, world peace, and self-improvement. Highly anticipated, the album Bad is the seventh studio album by the American singer Michael Jackson. It was released on August 31, 1987, by Epic Records. Bad is the seventh studio album by the American singer Michael Jackson. It was released on August 31, 1987, by Epic Records c72910595e
