Read-through the Director-actor Relationship (2003), by Delia Salvi, ISBN 0-8230-7944-9 Salvi, Delia (2003). Friendly Enemies: Maximizing the Director-actor Relationship The read-through, table-read, or table work is a stage of film, television, radio, and theatre production when an organized reading of the screenplay or script is conducted around a table by the actors with speaking parts cab553666

In addition to the cast members with speaking parts, the read-through is usually attended by the principal financiers or studio executives, producers, heads of department, writers, and directors. It is generally attended only by people involved in the production. It is usually the first time that everyone involved in the production gathers together, and it is traditional for all people to introduce themselves by both name and job. The director may then open proceedings by making a short speech outlining their aspirations for the project. cab553666
