The first Google Science Fair was announced in January 2011; entries were due on April 7, 2011, and judging occurred in July 2011. The competition is open to 13- to 18-year-old students around the globe, who formulate a hypothesis, perform an experiment, and present their results. All students had to have an internet connection and a Google Account to participate, and the projects had to be in English, German, Italian, Spanish, or French. The final submission had to include ten sections...
