Anno Dracula series For vampire "elders", those with years The Anno Dracula series by Kim Newman—named after Anno Dracula (1992), the series' first novel—is a work of fantasy depicting an alternate history in which the heroes of Bram Stoker's novel Dracula fail to stop Count Dracula's conquest of Britain, resulting in a world where vampires are common and increasingly dominant in society. While many of the characters from Newman's Diogenes Club stories appear in the Anno Dracula novels, they are not the same as the ones in those stories, nor is the Diogenes Club itself the same. While Dracula is a central figure in the events of the series, he is a minor character in the books and usually appears in only a few climactic pages of each book. tactic.
