The novels are set in a fictional world known as Landover that is populated with numerous magical and fairy creatures. Its name is a reference to the song "Over the Rainbow" from The Wizard of Oz and the lyrics (Somewhere over the rainbow, way up high, There's a land that I heard of once in a lullaby). Landover is described as a small world, surrounded on all sides by fairy mists which connect it to many other worlds, including Earth. Landover is a rural kingdom, populated by humans, gnomes, kobolds, and various other fantasy creatures, all of whom speak the fictional language of "Landoverian" - which the protagonist... 37034e79ee Unhinged is an English language only expansion; lead designer for Magic: The Gathering Mark Rosewater has said that due to the nature of humor and the many plays-on-words used in both Unhinged and Unglued, sets such as these will always be English language only. The only other English language exclusive sets were released before Magic gained enough popularity to support foreign markets. 37034e79ee
