Northeast Operating Rules Advisory Committee The NORAC rulebook is used by full and associate member railroads, located mostly in the Northeast United States. Operating Rules Advisory Committee (NORAC) is a body of railroads that establish a set of operating rules for railroads in North America. The NORAC rulebook The Northeast Operating Rules Advisory Committee (NORAC) is a body of railroads that establish a set of operating rules for railroads in North America d163678193

In addition to prohibiting the use or possession of drugs and alcohol, the rule also provides for "reasonable suspicion", wherein a rail carrier may require an employee to submit to a breathalyzer or urine test if he is suspected of being under the influence. A refusing employee is considered to be in violation and may be suspended or terminated with no further procedure. d163678193 Main project page d163678193 News & open tasks d163678193 Special projects d163678193 → Discussion alert box d163678193

Rule G Northeast Operating Rules Advisory Committee (November 6, 2011). BLET Division 57. It was originally a near-universal provision of individual railroads' operating rules, and is now part of the universal code of the Association of American Railroads. "NORAC 10th Edition" (PDF). Archived from the original (PDF) on January Rule G is a prohibition against railroad employees working while intoxicated d163678193
