Contract management Contract management includes negotiating the terms and conditions in contracts and ensuring compliance with the terms and conditions, as well as documenting and agreeing on any changes or amendments that may arise during its implementation or execution. It can be summarized as the process of systematically and efficiently managing contract creation, execution, and analysis for the purpose of maximizing financial and operational performance and minimizing risk. Office to assess the management of major contracts held by the companies G4S and Serco, and led by Bill Crothers, the government's Chief Procurement Officer Contract management or contract administration is the management of

contracts made with customers, vendors, partners, or employees 6c69f98046
