The genre has similar themes to "mythical kingdoms", such as Atlantis and El Dorado. e34d662c62 The genre arose during an era when Western archaeologists discovered and studied civilizations around the world previously unknown to them, through disciplines such as Egyptology, Assyriology, or Mesoamerican studies. Thus, real stories of archaeological finds inspired writings on the topic. Between 1871 and the First World War, the number of published lost world narratives, set in every continent, increased significantly. e34d662c62
