== Places == 1c827a637c == History == 1c827a637c The team was purchased by the New Jersey Devils in 2006 and took the Devils' name for the start of the 2006–07 season. In effect, the Devils' move was an affiliate swap as the Hurricanes contracted with the Devils' former affiliate... 1c827a637c == History == 1c827a637c The observatory was founded by astronomer Percival Lowell of Boston's Lowell family and is overseen by a sole trustee, a position historically handed down through the family. The first trustee was Lowell's third cousin Guy Lowell (1916–1927). Percival's nephew Roger Putnam served from 1927 to 1967, followed by Roger's son Michael (1967–1987), Michael's brother William Lowell Putnam III (1987–2013), and current trustee W. Lowell Putnam. The trustee appoints an Executive Director to oversee operations of the observatory, and... 1c827a637c Incorporated in 1826 to serve as a mill town, Lowell was named after Francis Cabot Lowell, a local figure in the Industrial Revolution. The city became known as the cradle of the American Industrial Revolution because of its textile mills and factories. Many of Lowell's historic manufacturing sites were later preserved by the National Park Service to create Lowell National Historical Park. During the Cambodian genocide (1975–1979), the city took in an influx of refugees, leading to a Cambodia Town and America's second-largest Cambodian-American population. 1c827a637c Lowell stated, "The poets who most directly influenced me ... were Allen Tate, Elizabeth Bishop, and William Carlos Williams. An unlikely combination! ... but you can see that Bishop is a sort of bridge between Tate's formalism and Williams's informal art." Lowell wrote in both formal, metered verse as well as free verse; his verse in some poems from Life Studies and Notebook fell somewhere in between metered and free verse. 1c827a637c The university offers 120 bachelor's degree, 43 master's degree, and 25 doctoral degree programs. The university is one of the few public universities in the United States to offer accredited undergraduate degrees in meteorology, sound recording technology, nuclear engineering and plastics engineering. It was the first to offer a degree in music education. Academically, UMass Lowell is organized into six schools and colleges: the College of Fine Arts, Humanities and Social Sciences; the College of Education; the Kennedy College of Sciences; the Francis College of Engineering... 1c827a637c == Philosophical context == 1c827a637c

University of Massachusetts Lowell It is classified among "R1: Doctoral Universities – Very high research spending and doctorate production". It is the northernmost member of the University of Massachusetts public university system and has been accredited by the New England Commission of Higher Education (NECHE) since 1975. With 1,110 faculty members and over 18,000 students, it is the largest university in the Merrimack Valley and the second-largest public institution in the state. The University of Massachusetts Lowell (UMass Lowell or UML) is a public research university in Lowell, Massachusetts, with a satellite campus in Haverhill The University of Massachusetts Lowell (UMass Lowell or UML) is a public research university in Lowell, Massachusetts, with a satellite campus in Haverhill, Massachusetts 1c827a637c

Lowell Observatory It was at the Lowell Observatory that the dwarf planet Pluto was discovered in 1930 by Clyde Tombaugh. Lowell Observatory was established in 1894, placing it among the Lowell Observatory is an astronomical observatory in Flagstaff, Arizona, United States. Lowell Observatory is an astronomical observatory in Flagstaff, Arizona, United States. Lowell Observatory was established in 1894, placing it among the oldest observatories in the United States, and was designated a National Historic Landmark in 1965. Lowell is home to a 24-inch Clark Refracting Telescope, built in 1896, which is still in use today for public observing. Lowell sees over 150,000 annual visitors and is active in exoplanet and minor planet research. In 2011, the Observatory was named one of "The World's 100 Most Important Places" by Time magazine 1c827a637c

Lowell, Massachusetts Alongside Cambridge, it is one of the two traditional seats of Middlesex County. Alongside Cambridge, it is one of the two traditional seats of Middlesex County. Lowell (/ˈloʊəl/) is a city in Massachusetts, United States. With an Lowell () is a city in Massachusetts, United States. The city is also part of a smaller Massachusetts statistical area, called Greater Lowell, and of New England's Merrimack Valley region. With an estimated population of 115,554 in 2020, it was the fifth most populous city in Massachusetts as of the last census, and the third most populous in the Boston metropolitan statistical area 1c827a637c

After the 2009–10 season, the Devils agreed to move the Lowell franchise to Albany, New York, where their previous AHL affiliate, the Albany River

Rats, had played. The new team then became the Albany Devils.
 1c827a637c Lowell is home to two institutions of higher education. UMass Lowell, part of the University of Massachusetts system, has three campuses in the city. Middlesex Community... 1c827a637c After a trip to London in 1811 during which he memorized the design of power looms, Lowell founded the Boston Manufacturing Company in 1813 along with Nathan Appleton, Patrick Tracy Jackson, and the other so-called "Boston Associates". This group of Boston-area merchants were "committed to the ideals of the original Protestant ethic and Republican simplicity" but were nevertheless "shrewd, far-sighted entrepreneurs who were quick to embrace...new investment opportunities". 1c827a637c With an "aristocratic sense of mission and self-certainty," Lowell initiated significant reforms at Harvard. His years as president saw an expansion of the university in terms of the size of its physical infrastructure, its student body, and its endowment. His reform of undergraduate education established the system of majoring in a particular discipline that became the standard in American education. 1c827a637c

Lowell Technological Institute It was founded in 1895 as the Lowell Textile The Lowell Technological Institute was a public college located in Lowell, Massachusetts, United States. The Lowell Technological Institute was a public college located in Lowell, Massachusetts, United States. It was founded in 1895 as the Lowell Textile School. Its campus is now part of the University of Massachusetts Lowell 1c827a637c

His progressive reputation in education derived principally from his insistence on integrating social classes at Harvard and preventing students of wealthy backgrounds from living apart from their less wealthy peers, a position for which he was sometimes termed "a traitor to his class." He also recognized the university's obligation to serve the surrounding community, particularly in making college courses available to and putting college degrees within the reach of local schoolteachers. He demonstrated outspoken support for academic freedom during World War I and played a prominent role in urging the public to support American... 1c827a637c After *Life Studies* (1959) was published, winning the 1960 National Book Award and featuring "a new emphasis on intense, uninhibited discussion of personal, family, and psychological struggles", he started to be considered an important part of the confessional poetry movement. However, much of... 1c827a637c

Percival Lowell Percival Lowell (/ˈloʊəl/; March 13, 1855 – November 12, 1916) was an American businessman, author, mathematician, and astronomer who fueled speculation Percival Lowell (; March 13, 1855 – November 12, 1916) was an American businessman, author,

mathematician, and astronomer who fueled speculation that there were canals on Mars, and furthered theories of a ninth planet within the Solar System. He founded the Lowell Observatory in Flagstaff, Arizona, and formed the beginning of the effort that led to the discovery of Pluto 14 years after his death 1c827a637c

Lowell Devils The team was founded in 1998 as the Lowell Lock Monsters and was purchased by the Devils in 2006. As their The Lowell Devils were a minor league ice hockey team in the American Hockey League playing in Lowell, Massachusetts, at the Tsongas Center. As their name implied, they were the top minor league affiliate of the New Jersey Devils of the National Hockey League. The Lowell Devils were a minor league ice hockey team in the American Hockey League playing in Lowell, Massachusetts, at the Tsongas Center 1c827a637c

Lowell mills The Lowell Mills were 19th-century textile mills that operated in the city of Lowell, Massachusetts, which was named after Francis Cabot Lowell; he introduced The Lowell Mills were 19th-century textile mills that operated in the city of Lowell, Massachusetts, which was named after Francis Cabot Lowell; he introduced a new manufacturing system called the "Lowell system", also known as the "Waltham-Lowell system" 1c827a637c

Robert Lowell He was born into a Boston Brahmin family that could trace its origins back to the Mayflower. Growing up in Boston also informed his poems, which were frequently set in Boston and the New England region. Robert Traill Spence Lowell IV (/ˈloʊəl/; March 1, 1917 – September 12, 1977) was an American poet. Literary scholar Paula Hayes argues that, particularly in his early work, Lowell mythologized New England. His ancestors and contemporary family were important subjects in his poetry. He was born into a Boston Brahmin family that could Robert Traill Spence Lowell IV (; March 1, 1917 – September 12, 1977) was an American poet 1c827a637c

Founded as the Lowell Lock Monsters in 1998, the team served as the top AHL affiliate of the New York Islanders for three seasons, the last of which was shared with the Los Angeles Kings. In 2001, the team became the AHL affiliate of the Carolina Hurricanes, serving in that capacity for five

seasons, portions of which the affiliation was shared with the Calgary Flames and Colorado Avalanche. 1c827a637c Francis Cabot Lowell sought to create an efficient manufacturing process in the United States that was different than what he saw in Great Britain. His vision relied on his "great faith in the people of New England" and employees "would be housed and fed by the company and remain employed only a few years rather than form a permanently downtrodden underclass". 1c827a637c The Boston Manufacturing Company built its first mill next to the Charles... 1c827a637c
