

A45 Rapid Transit Sprint Centre of enterprise

West Midlands Metro Birmingham City Centre The West Midlands Metro is a light-rail/tram system in the county of West Midlands, England. The network has 33 stops with a total of 14.9 miles (24.0 km) of track; it currently consists of a single route, Line 1, which operates between the cities of Birmingham and Wolverhampton via the towns of Bilston, West Bromwich and Wednesbury, on a mixture of former railway lines and urban on-street running. The system is owned by the public body Transport for West Midlands, and operated by Midland Metro Limited, a company wholly owned by the West Midlands Combined Authority. West Midlands have since decided that a 'West Midlands Sprint' concept, based on bus rapid transit is the way forward for this route

8b0fc420b1

During August 1995, a 25-year contract for the design, construction, operation and maintenance of Line 1 was awarded to the Altram consortium; construction commenced three months later. It was launched on 30 May 1999 as Midland...
