Product placement Much of this is done by loaning products, especially when expensive items, such as vehicles, are involved. In 2021, the agreements between brand owners and films and television programs were worth more than US\$20 billion. research firm YouGov has led on developing bespoke modelling and audience solutions to automate the process of creating Net Placement Values for product placements Product placement, also known as embedded marketing, is a marketing technique where references to specific brands or products are incorporated into another work, such as a film or television program, with specific promotional intent 5b77754648
