== Biography == b790cd7f39 For at least the last five centuries and into the present, Albanian customary laws have been kept alive only orally by the tribal elders. The success in preserving them exclusively through oral systems is an indication of ancient origins. The Kanun has held a sacred – although secular – longstanding, unwavering, and unchallenged authority with a cross-religious effectiveness over the Albanians, attributed to an earlier pagan code common to all Albanian tribes. The Albanian Kanun is regarded as a literary monument of interest to Indo-European studies, reflecting many legal practices of great antiquity with precise echoes in law codes of other Indo-European peoples, potentially inherited from the Proto-Indo-European culture. b790cd7f39 Pioli has managed several clubs in Serie A, including Bologna, Lazio, Inter Milan, and Fiorentina.
