== Plot == The film begins by showing the previous six months in flashbacks. In June 2012 a plague called the VM2 virus is first discovered in a French woman. Within the next 28 days, 83% of the population of Europe was infected. The virus becomes a global pandemic as it eventually reaches Japan, and the United States. Six months later, the zombie plague has wiped out 90% of the population of the United States. The English word zombie was first recorded in the 18th century; dictionaries trace its origins to Bantu languages, such as Kimbundu nzumbi 'ghost, spirit'. One of the first books to expose Western culture to the concept of the voodoo zombie was W. B. Seabrook's *The Magic Island* (1929), which includes a purportedly-true paranormal account of zombies being forced to work on a Haitian sugar plantation. **== Background ==** There are 12 trophies/achievements available. Three high school sophomores, Ben, Carter, and Augie, are trying to recruit new members for their Scout group, led by their Scout Leader Rogers. While Augie has always been happy about being a Scout, Ben and Carter have second thoughts since they're growing out of favor... **== Plot ==** After the zombie apocalypse occurs in Australia, two tradesmen, Darryl and Joel, meet at a telephone exchange tower to take refuge there. Joel shows Darryl that their friend Roy's undead wife is in the back of his ute, which prevents them from retrieving their beer. After an argument Darryl is forced to shoot Roy's wife in the head. Their older friend Roy meets the two there with his daughter Emma, and Darryl proceeds to poorly flirt with Emma, much to Roy's dismay. The genre originated in the 1968 American horror film *Night of the Living Dead*, which was directed by George A. Romero, who took inspiration from the 1954 novel *I Am Legend* by Richard Matheson. Romero's film introduced the concept of the flesh-eating zombie and spawned numerous other fictional works, including films, video games, and literature.

There are many different causes of a zombie apocalypse in fiction. In some versions, the reason the dead rise and attack humans is unknown; in others, a parasite or infection is the cause - framing the film like a plague. Some stories have every corpse zombify regardless of the cause of death, whereas others require exposure to the infection, most commonly in the form of a bite. 456ef59845 Because zombies are attracted to blood and screaming, Brit must leave her compound and give birth to her child in a "birthing enclosure" — a shipping container. 456ef59845
