In the 1960s, the spaghetti Western genre grew in popularity. Films, particularly those of the influential Dollars trilogy, spawned numerous films of the same ilk and often with similar titles, particularly from the mid to late 1960s and early 1970s. By the end of the 1970s, spaghetti Westerns had lost their following among mainstream cinema audiences and the production had ground to a virtual halt. 33620b2c0e From its inception in March 2005 through November 2013, the Hot Gospel Songs chart ranked the top songs only by overall audience impressions of songs played on gospel music radio stations. Beginning with the chart dated December 7, 2013, the chart follows the same methodology used for the Hot 100 to compile its rankings. The Gospel Airplay chart was launched simultaneously to continue to monitor airplay of songs on gospel radio. 33620b2c0e Credited to Mick Jagger and Keith Richards, Ron Wood apparently wrote the song's main riff, a piece of music he took with him to Munich's Musicland Studios where he and other guitarists were auditioning for the second guitarist slot left open after the departure of Mick Taylor. For his contribution, Wood would receive an "inspiration by" credit on the album. In 2003, Wood recounted, "All of us, independently and together, were into reggae, and it was also a mood of the time. I had this particular lick that I took into the studio and the others said, What are we going to start with? and I said, I've got this song. Charlie [Watts] was sitting behind his kit, so he was already into it and then Keith and Mick both got into the motion of it. That was 'Hey Negrita', which came together very easily. The key to getting a song across in this band is never to try and write all the words. If you've got the rhythm, you're lucky! Let Mick write the words and then you're in with a chance." 33620b2c0e

For his 2008 book One-Hit Wonders, music journalist Wayne Jancik defines a one-hit wonder as "an act that has won a position on Billboard's national, pop, Top 40 just once." In his definition of an "act", Jancik distinguishes between a solo performer and a group performance (thus, for example, Roger Daltrey's "Without Your Love" is counted despite Daltrey's numerous hits as frontman for the Who). Some musicians appear multiple times, either with multiple bands or as a member of a band and as a solo artist. (Eponymous bands are generally not separated; thus, Charlie Daniels is not... == 0–9 ==
