

Principles Of Managerial Finance 10th Edition Gitman

Corporate finance Lawrence J. Pinches (1985). The primary goal of corporate finance is to maximize or increase shareholder value. Gitman; Michael D. ISBN 9780060423360. Managerial finance. Joehnk; George E. Harper & Row. See: The Financing Decision of the Corporation Corporate finance is an area of finance that deals with the sources of funding, and the capital structure of businesses, the actions that managers take to increase the value of the firm to the shareholders, and the tools and analysis used to allocate financial resources 5d2308398f

Correspondingly, corporate finance comprises two main sub-disciplines. Capital budgeting is concerned with the setting of criteria about which value-adding projects should receive investment funding, and whether to finance that investment with equity or debt capital. Working capital management is the management of the company's monetary funds that deal with the short-term operating balance of current assets and current liabilities; the focus... 5d2308398f
