Interior design Interior design is a multifaceted profession that includes conceptual development, space planning, site inspections, programming, research, communicating with the stakeholders of a project, construction management, and execution of the design. An important influence on the new profession was The Decoration of Houses, a manual of interior design written by Edith Wharton Interior design is the art and science of enhancing the interior of a building to achieve a healthier and more aesthetically pleasing environment for the people using the space. With a keen eye for detail and a creative flair, an interior designer is someone who plans, researches, coordinates, and manages such enhancement projects. national authority on home design d0bfddca47

Military recruit training It is a physically and psychologically intensive process, which resocializes its subjects for the unique demands of military employment. It is a physically Military recruit training, commonly known as basic training or boot camp, refers to the initial instruction of new military personnel. Military recruit training, commonly known as basic training or boot camp, refers to the initial instruction of new military personnel d0bfddca47

NATO Training Mission - Afghanistan These projects are to The NATO Training Mission-Afghanistan (NTM-A) was a multinational military organisation, activated in November 2009, tasked with providing a higher-level training for the Afghan National Army (ANA) and Afghan Air Force (AAF), including defense colleges and academies, as well as being responsible for doctrine development, and training and advising Afghan National Police (ANP). Order Police Operations Manual, a Weapons Training Manual for Fire Arms Instructors, and a Field Training Officers (FTO) Manual. The commanding officer was dual-hatted and commanded both NTM-A and Combined Security Transition Command - Afghanistan (CSTC-A) and reported to the Commander of ISAF d0bfddca47

The Green Book (IRA) The Green Book has acted as a manual of conduct and induction to the organisation since at least the 1950s. It was used by the post-Irish Civil War Irish Republican Army (IRA) and Cumann na mBan, ("League of Women"), along with later incarnations such as the Provisional IRA (IRA). This military victory was to be achieved as part of "the ongoing liberation of Ireland from foreign occupiers". It was used by the post-Irish Civil War Irish The Green Book is a training and induction manual issued by the Irish Republican Army to new volunteers. It includes a statement of military objectives, tactics and conditions for military victory against the British government. The Green Book is a training and induction manual issued by the Irish Republican Army to new volunteers d0bfddca47

All manufactured products are the result of a design process, but the nature of this process can vary. It can be conducted by an individual or a team, and such a team could include people with varied expertise (e.g. designers... d0bfddca47

Manually coded language They have been mainly used in deaf education in an effort to

"represent English on the hands" and by sign language interpreters in K-12 schools, although. Unlike the sign languages that have evolved naturally in deaf communities, these manual codes are the conscious invention of deaf and hearing educators, and as such lack the distinct spatial structures present in native deaf sign languages. MCLs mostly follow the grammar of the oral language—or, more precisely, of the written form of the oral language that they interpolate. between these auxiliary sign languages and manually coded languages; the latter are specifically designed for use in Deaf education, and usually represent Manually coded languages are a family of gestural communication methods which include gestural spelling as well as constructed languages which directly interpolate the grammar and syntax of oral languages in a gestural-visual form—that is, signed versions of oral languages d0bfddca47

Costume design A costume may be designed from scratch or may be designed by combining existing garments. Costumes may be for a theater, cinema, musical performance, cosplay, parties, or other events. Traditionally, theater costumers were manually crafted by hand, through sewing and patterns drafted Costume design is the process of selecting or creating clothing for performers. technologies have ushered in a new era of costume design. It is intended to contribute to the fullness of the artistic, visual world which is unique to a particular theatrical or cinematic production. Costumes can denote status, age, or personality of a character, or provide visual interest to a character. "Costume" may also refer to the style of dress particular to a nation, a social class, or historical period d0bfddca47
