The term eco-terrorism was not coined until the 1960s; however, the history of eco-terrorism precedes that time. Although not referred to as eco-terrorism at the time, there have been incidents in history of people using terror to protect or defend the environment. It can be seen in the War of Desmoiselles, or War of the Maidens. The War of the Demoiselles was a series of peasant revolts in response to the new forest codes implemented by the French government in 1827. In May 1829, groups of peasant men dressed in women's clothes terrorized forest guards and... The Eritrean People's Liberation Front (EPLF), later (from 1994) People's Front for Democracy and Justice, was formed from the secessionist movement that successfully fought for the creation of an independent Eritrean nation out of the northernmost province of Ethiopia in 1993. == Etymology ==

Peter Jackson's interpretation of The Lord of the Rings R. They have, however, found the characters and the story greatly weakened by Jackson's emphasis on action and violence at the expense of psychological depth; the loss of Tolkien's emphasis on free will and individual responsibility; the flattening out of Tolkien's balanced treatment of evil to a simple equation of the One Ring with evil; and the replacement of Frodo's inner journey by an American "hero's journey" or monomyth with Aragorn as the hero. R. found that the transformations, such as the substitution of the Elf-lady Arwen for the Elf-lord Glorfindel in The Fellowship of the Ring, were mainly successful Commentators have compared Peter Jackson's 2001–2003 The Lord of the Rings film trilogy with the book on which it was based, J. Tolkien's 1954–1955 The Lord of the Rings, remarking that while both have been extremely successful commercially, the film version does not necessarily capture the intended meaning of the book. They have admired Jackson's ability to film the long and complex work at all; the beauty of the cinematography, sets, and costumes; the quality of the music; and the epic scale of his version of Tolkien's story

== Creative origins == Eco-terrorism is a form of radical environmentalism that arose out of the same school of thought that brought about deep ecology, ecofeminism, social ecology, and bioregionalism. == Creative influences... == Publication history == Large-N datasets have found very few instances of fatalities as a result of eco-terrorism. In the United States, the radical environmental movement frequently engaged in arson, property destruction and sabotage (without fatalities) up until the mid-2000s when it increasingly shifted to civil disobedience and mass protests.

People's Front for Democracy and Justice A faction of the ELF broke away in 1970 The People's Front for Democracy and Justice (Tigrinya: ፕላንቲዮን ፕላንቲዮን ፕላንቲዮን ፕላንቲዮን, PFDJ) is the founding and sole ruling party of the State of Eritrea. The leader of the party and current President of Eritrea is Isaias Afwerki. The successor to the Marxist-Leninist Eritrean People's Liberation Front (EPLF), the PFDJ regards itself as a left-wing nationalist party, though it holds itself open to nationalists of any political affiliation. 1960s and 1970s, the ELF undertook a systematic campaign of guerrilla warfare against the Ethiopian government. The PFDJ has been described as totalitarian, and under its rule Eritrea reached the status of the least electorally democratic country in Africa according to V-Dem Democracy indices in 2023 d23fe57393

The federation was intended to last for ten years, during which Eritrea would operate as an autonomous region with its own parliament, while remaining under the Ethiopian crown. However, Eritrea's autonomy was progressively curtailed during the 1950s as Unionist parties gained influence within the Eritrean Assembly... d23fe57393 == Terminology == d23fe57393 == Career == d23fe57393 Tolkien modelled his fictional warfare on the Ancient and Early Medieval periods of history. His depiction of weapons and armour particularly reflect Northern European culture as seen in Beowulf and the Norse sagas. Tolkien established this relationship in The Fall of Gondolin, the first story in his legendarium to be written. In this story, the Elves of Gondolin use the mail armour, swords, shields, spears, axes and bows of Northern European warfare. In Tolkien's writings, such Medieval weapons and armour are used by his fictional races, including Elves, Dwarves, Men, Hobbits, and Orcs. d23fe57393 Eritrea was an Italian colony from the 1880s until the Italians were defeated by the Allies in World War II in 1941. Afterward, Eritrea briefly became a British Military Administration until 1951. The United Nations convened after the war to decide Eritrea's future, voting in favor of a federation between Eritrea and Ethiopia. As a result, Eritrea became a constituent state of the Federation of Ethiopia and Eritrea. d23fe57393 The Dungeons & Dragons Basic Set was revised in 1983 by Frank Mentzer as Dungeons & Dragons Set 1: Basic Rules. Between 1983 and 1985, this system was revised and expanded by Mentzer as a series of five boxed sets, including the Basic Rules, Expert Rules (supporting character levels 4 through 14), Companion Rules (supporting levels 15 through 25), Master Rules (supporting levels 26 through 36), and Immortal Rules (supporting Immortals - characters who had transcended levels). The Companion Rules set was written by Mentzer, with art by Larry Elmore and Jeff Easley. It was published by TSR in 1984 as a boxed set containing a 64-page book and a 32-page book. The set contains two booklets: Player's Companion: Book One and Dungeon Master's Companion: Book Two, which were edited by Anne Gray. d23fe57393 The English word derives from the French word saboter, meaning to "bungle, botch, wreck or sabotage"; it was originally used to refer to labour disputes, in which workers wearing wooden shoes called sabots interrupted production through different means. A popular but incorrect account of the origin of the term's present meaning is the story that poor workers in the Belgian city of Liège would throw a wooden sabot into the machines to disrupt production. d23fe57393 The historical region of Eritrea had joined Ethiopia as an autonomous unit in 1952. The Eritrean Liberation Movement was founded in 1958 and was succeeded by the Eritrean Liberation Front (ELF) in 1961. The ELF grew in membership when the Ethiopian emperor Haile Selassie abolished... d23fe57393
