Since the werewolf is human the rest of the month, it would be wrong to kill it. This, however, is not the view of misogynist werewolf hunter Gib Cain, who is out for his twelfth pelt and who condescendingly jeers at Buffy for trying to do a man's job. 0e43c017ec When students start dropping out of cheerleading tryouts by spontaneously combusting, going blind and losing the power of speech, Buffy and her posse suspect a powerful witch is in their midst. The beginning of Season Nine focuses on Buffy living in San Francisco in a world without magic. Angel & Faith, on the other hand, is set primarily in London and pursues several plot threads from Season Eight. The series were followed in 2014 by the start of a Season Ten line of Buffy and Angel & Faith comics. 0e43c017ec In the series, Buffy Summers (Sarah Michelle Gellar) is a Slayer, a teenage girl endowed with superhuman powers to fight evil forces. "Who Are You?" is the second half of a two-part story arc featuring the return of the rogue Slayer Faith (Eliza Dushku) and is a turning point in the character's redemptive arc. The previous episode saw Faith use a magical device to swap bodies with Buffy, and Whedon wanted to use this premise to explore Faith's psyche and give her a moral epiphany.
