Dorf (December 27, 1933, in the Bronx, New York City – October 22, 2020) was a professor emeritus of management and electrical and computer engineering at the University of California, Davis 5341fc5a31

Social enterprises have business, environmental and social goals. As a result, their social goals are embedded in their objective, which differentiates them from other organisations and companies. A social enterprise's main purpose is to promote, encourage, and make social change. Social enterprises are businesses created to further a social purpose in a financially sustainable way. Social enterprises can provide income generation opportunities that meet the basic needs of people who live in poverty. They are

sustainable, and earned income from sales is reinvested in their... 5341fc5a31 The TLC associated with a product or technological service is different from product life-cycle (PLC) dealt with in product life-cycle management. The latter is concerned with the life of a product in the marketplace with respect to timing of introduction, marketing measures, and business costs. The technology underlying the product (for example, that of a uniquely flavoured... 5341fc5a31

Technology life cycle (In a joint-venture this risk The technology life cycle (TLC) describes the commercial gain of a product through the expense of research and development phase, and the financial return during its "vital life". Some technologies, such as steel, paper or cement manufacturing, have a long lifespan (with minor variations in technology incorporated with time) while in other cases, such as electronic or pharmaceutical products, the lifespan may be quite short. declining technology. In any case, access to technology in the decline phase is a large risk that the licensee accepts 5341fc5a31
