The song has been covered by a number of artists, including Sonia and Sean Maguire, whose versions also charted in the UK. The duo began working on the album in March 2021, recording it in secret at both their home and a studio outside of Bath, England with the engineer Bruno Ellingham, with Tracey Thorn stating that they were "aware of the pressures of such a long-awaited comeback, so we tried to begin instead in a spirit of open-minded playfulness". Graeber and Wengrow finished the book around August 2020. Its American edition is 704 pages long, including a 63-page bibliography. It was first published in the United Kingdom on 19 October 2021 by Allen Lane (an imprint of Penguin Books). == Background and composition == The Dawn of Everything received substantial attention in mainstream and academic publications, becoming an international bestseller, and was translated into more than thirty languages. Describing the diversity of early human societies, the book critiques traditional narratives of history's linear development from primitivism to civilization. Instead, The Dawn of Everything posits that humans lived in large, complex, but decentralized polities for millennia. The book suggests that social emancipation can be found in a more accurate understanding of human history, based on recent scientific evidence with the assistance of the fields of

anthropology and archaeology. In the United States, "Give Me Everything" became the first number-one single on the US Billboard Hot 100 for every artist on the record except Ne-Yo, who had previously reached number-one with his own "So Sick" in 2006. It also became Pitbull's first number one in the United Kingdom as the main artist. The song has also peaked at number one in 21 countries such as Belgium, Canada, Ireland, the Netherlands, Romania and within the top-five in twelve other territories. It was the seventh best-selling digital single of 2011 with worldwide sales of 8.2 million copies, making it one of the best-selling singles of all time. In the United States, two other versions of the... Premise

Theory of everything The original technical concept referred to unification of the four fundamental interactions: electromagnetism, strong and weak nuclear forces, and gravity. A theory of everything or final theory is a hypothetical coherent theoretical framework of physics containing all physical principles. The scope of the concept of a "theory of everything" varies. Starting with Isaac Newton's unification of terrestrial gravity, responsible for weight, with celestial gravity, responsible for planetary orbits, concepts in fundamental physics have been successively unified. The phenomena of electricity and magnetism were combined by James Clerk Maxwell's theory of electromagnetism and Albert Einstein's theory of relativity explained how they are connected. By the 1930s, Paul Dirac combined relativity and quantum mechanics and, working with other physicists, developed quantum electrodynamics that combines quantum mechanics and... Ben Watt told NME that they "wanted to come back with something modern-sounding. [...] We just wanted to make a piece of work that would sound great now in 2023. That was the driver." He also elaborated that Fuse is not "a pandemic album or a lockdown album - it just struck us that the time was right after 23 years of waiting", also echoing Thorn's statement that the intention was to be "a bit playful and experimental... The album's lyrical themes are dark, focusing on global tensions and political happenings during 2014. The rise of the Islamic State of Iraq and the Levant, media coverage of the 2015 general election in the United Kingdom, and various mass shootings influenced its writing. The upbeat sound of the music was composed to provide contradiction to the violent subject matter, and is inspired by artists such as Radiohead, Suicide, and Kendrick Lamar. As with previous Everything Everything work, most of the songs are presented as in-character narrations. 3c76bdec84 Their ninth album, Walking Wounded (1996), entered the UK albums chart at No. 4, and spawned the top-10 singles "Walking Wounded" and "Wrong". The Real Thing first appeared on the ITV talent show Opportunity Knocks, to which they then acquired a manager, Tony Hall who secured them a recording contract with Pye Records. For their 8th single, they recorded "You to Me Are Everything". The song was written by producer Ken Gold together with Micky Denne; Denne came up with the chorus first, and they wrote most of the song in less than an hour. They took the demo of the song to Hall and Chris Amoo, the lead singer of the Real Thing, and the group recorded the song at the Roundhouse studios a week later. 3c76bdec84
