In January General Hospital is the longest-running American television serial drama, airing on ABC since April 1, 1963 28f13d364e

Andrew Crofts (born 1953) based in England is a ghostwriter. Many of his subjects have been international and have topped the best-seller charts of United Kingdom and other countries. Because of the secrecy surrounding the business of ghostwriting, it is never known exactly how many books that have been credited to other people were actually written by him, but in recent years more and more publishers seem to be insisting on placing his name alongside the "author's" in order to boost sales. In 2014 he published a memoir "Confessions of a Ghostwriter" (published by Friday Project). Although the book is filled with anecdotes about the ghostwriting profession, the Daily Telegraph noted that "when it comes to famous clients... 28f13d364e The year's big winner was Amy Winehouse: the 24-year-old singer had recently entered a drug rehabilitation program and did not come to Los Angeles. American officials initially refused her a work visa; they reversed the decision, but by... 28f13d364e The recorded date is the first known date. 28f13d364e
