Fraternity Among guilds that became prosperous are the Freemasons, Odd Fellows and Foresters. The concept was eventually further extended with medieval confraternities and guilds. In the early modern era, these were followed by fraternal orders such as Freemasons, the Rosicrucian Society of England, and Odd Fellows, along with gentlemen's clubs, student fraternities, and fraternal service organizations. Fraternity in the Western concept developed in the Christian context, notably with the religious orders in the Catholic Church during the Middle Ages. Throughout the latter part of the 19th century and into the 20th century A fraternity (from Latin frater 'brother' and -ity; whence, "brotherhood") or fraternal organization is an organization, society, club or fraternal order traditionally of men but also women associated together for various religious or secular aims. Members are occasionally referred to as a brother or – usually in a religious context

Subaru cars are known for their use of a boxer engine layout in most internal combustion vehicles above 1,500 cc. The Symmetrical All Wheel Drive drive-train layout was introduced in 1972. Both became standard equipment for mid-size and smaller cars in most markets by 1996. The lone exceptions are the BRZ, introduced in 2012 via a partnership with Toyota, which pairs the boxer engine with rear-wheel-drive, and the Uncharted, slated to be introduced in 2026 in partnership with Toyota, which is front-wheel-drive in its standard configuration...
