Hoffa is remembered for introducing an operation for congenital hip dislocations (1890), as well as for developing a system of massage therapy (Hoffa system). His name is further associated with an anatomical structure, Hoffa's fat pad, and a condition affecting it, known as "Hoffa's fat... df1fd13268 Long told police he was motivated by a sexual addiction that was at odds with his Christianity, for which he had spent time in an evangelical treatment clinic, and that he had been targeting establishments where he had previously paid for sex. While six of the eight people killed were women of Asian descent, Long denied that race had played any role in the killings, which was questioned by numerous organizations such as... df1fd13268

Chiropractic treatment techniques In this system, hands are used to manipulate, massage or otherwise influence the spine and related tissues. Adverse results, including strokes and deaths, are rare. It is the most common Chiropractors use their version of spinal manipulation (known as chiropractic adjustment) as their primary treatment method, with non-chiropractic use of spinal manipulation gaining more study and attention in mainstream medicine in the 1980s. The safety of manipulation, particularly on the cervical spine, has been debated. There is no evidence that chiropractic

spinal adjustments are effective for any medical condition, with the possible exception of treatment for lower back pain. recognition during the 1980s
