List of stories set in a future now in the past April 1, 1993. Diane Publishing. Victimization in the U. 1991: A National Crime Victimization Survey Report. Entries referencing the current year may be added if their month and day were not specified or have already occurred. ISBN 9780788106552. The list excludes works that were alternate histories, which were composed after the dates they depict, alternative futures, as depicted in time travel fiction, as well as any works that make no predictions of the future, such as those focusing solely on the future lives of specific fictional characters, or works which, despite their claimed dates, are contemporary in all but name. S. Retrieved December 9, 2017 This is a list of fictional stories that, when composed, were set in the future, but the future they predicted is now present or past cabd75caa8
