List of Jewish atheists and agnostics weapons; made important contributions to the fields of adsorption and catalysis, shock waves, nuclear physics, particle physics, astrophysics, physical This page lists well-known Jewish atheists and agnostics. Based on Jewish law's emphasis on matrilineal descent, religiously conservative Orthodox Jewish authorities would accept an atheist born to a Jewish mother as fully Jewish. A 2011 study found that half of all American Jews have doubts about the existence of God, compared to 10–15% of other American religious groups dc40cb946f

Nobel Prize controversies After his death in 1896, the will of Swedish industrialist Alfred Nobel established that an annual prize be awarded for service to humanity in the fields of physics, chemistry, physiology or medicine, literature, and peace. Similarly, the Sveriges Riksbank Prize in Economic Sciences in Memory of Alfred Nobel, first awarded in 1969, is awarded along with the Nobel Prizes. Somorjai and Ertl had previously shared the Since the first award in 1901, conferment of the Nobel Prize has engendered criticism and controversy. Gábor Somorjai, a foundational pioneer in modern surface science and catalysis, did not share the prize dc40cb946f
