immigration to the Philippines occurred mostly during the Spanish colonization of the islands between the 16th and 19th centuries, attracted by the lucrative trade of the Manila galleons. During this era, they were referred to as Sangley. They were mostly the Hokkien-speaking Hokkien people that later became the dominant group within the Filipino-Chinese community. In the 19th century, migration was triggered by the corrupt and bad governance of the late Qing dynasty, combined with economic... 13a44c9826

English society Anglo-Norman literature), but despite this the English language was not supplanted, and after gaining much in grammar and vocabulary began in turn to replace English society comprises the group behaviour of the English people, and of collective social interactions, organisation and political attitudes in England. These major social changes have occurred both internally and in its relationship with other nations. The social history of England evidences many social and societal changes over the history of England, from Anglo-Saxon England to the contemporary forces upon the Western world. The themes of social history include demographic history, labour history and the working class, women's history, family, the history of education in England, rural and agricultural history, urban history and industrialisation 13a44c9826

Initially this is associated with the expansion of English from its homeland in England and the lowlands of Scotland and its spread to the rest of Great Britain and Ireland, beginning in the sixteenth century. The rise of the British Empire increased the language's spread to British colonies, and in many of these it has remained the medium of education. The increased economic and cultural influence of the United States since World War II has also furthered the global spread of English, as has the rapid spread of Internet and other technologies. As a result of this, there are English-medium schools in many states throughout the world... 13a44c9826
