It is an interdisciplinary subject drawing on natural and social sciences, and the practice of natural resource management c7950c2033

In an academic context, public administration has been described as the study of government decision-making; the analysis of policies and the various inputs that have produced them; and the inputs necessary to produce alternative policies. It is also a subfield of political science where studies of policy processes and the structures, functions, and behavior of public institutions and their relationships with broader society take place. The study and application of public administration is founded on the principle... c7950c2033

Elemental: War of Magic " The game revolves around exploration, city-building, resource management and conquest, but also incorporates quests and detailed unit design Elemental: War of Magic is a fantasy 4X turn-based strategy game developed and published by Stardock, released on August 24, 2010. role-playing world c7950c2033

Stardock calls Elemental "a strategy game in a role-playing world."
