The second edition of the Advanced Dungeons & Dragons game features both a higher number of books of monsters—"many tied to their growing stable of campaign worlds"—and more extensive monster descriptions than both earlier and later editions, with usually one page in length. Next to a description, monster entries in this edition contained standardized sections covering combat, their habit and society, and their role in the eco-system. While later editions gave the various creatures all the attributes which player characters had, 2nd edition only listed intelligence, a characteristic important for creating challenging encounters in the game. 1fedc2db3f Racism in association football (soccer) is the abuse of players, officials, and fans because of their skin colour, nationality, or ethnicity.
