List of secondary education systems by country Level 2 or lower secondary education is considered the second and final phase of basic education, and level 3 or upper secondary education is the stage before tertiary education. Every country aims to provide basic education, but the systems and terminology remain unique to them. Odisha Madhya Pradesh Board of Secondary Education Haryana Board of School Education Directorate of Government Examinations, Tamilnadu Indonesia follows the Secondary education covers two phases on the ISCED scale. Secondary education typically takes place after six years of primary education and is followed by higher education, vocational education or employment 81d8aa12fa
